

Pilot4Safety is supported by funding from the DG MOVE of the European Commission under grant agreement: MOVE/SUB/2010/D3/300-1/SI2.560087/PILOT4SAFETY

# Certificate of Completion

for the course of

## Road Safety Auditor

held in Brussels by FEHRL during the Pilot4Safety project

**Issued to** \_\_\_\_\_

The course has been composed of 160 hours of training, including practical Road Safety Audit in a group and individually, according to the curriculum and training tools available at <http://pilot4safety.fehrl.org/>. During the course there was active participation by the trainee, both during the classes and in the individual work.

This certificate is recognised as valid to appoint road safety experts for regional and local roads, up to the end of the Pilot4Safety project (30/05/2012) by the road authorities belonging to the following public bodies, according to the International Agreement signed in April 2011:

Region of Central Macedonia, Lazio Region, Generalitat of Catalunya, Czech Republic, Randers Kommune.
